AGENDA

1. Education in tourism position paper presentation and meeting with the ministries
   - Committee members agreed on the concept
   - Goals for the meeting: communicate the need for coordinated efforts between Ministries in improving the curriculum and conditioning more work experience throughout education. If there will be a working group on the topic of reforming the education AmCham members are very interested in giving their input.
   - AmCham will communicate the need for a universally applied system of internships across all higher education institutions (how much practical work etc.)
   - AmCham office will send the agenda and the position paper before the meeting to all the participating guests from the ministries and check with other member hotels if they wish to attend the meeting

2. Co-chair elections
   - Due to the increase in his responsibilities Mr. Mario Šušak has decided to resign from his post as the Vice-president of the committee
   - There will be elections for his position held at the next meeting
