Dr. Matt Carter, Message House Founder & Managing Director

*Q&A after the speech

*Lecture in English

10:45 – 11:00 Coffee break

11:00 – 11:45 Panel

ELEPHANT IN THE ROOM: LACK OF TRUST

Forget about funding, organizational issues, and new tools – it's the lack of trust in healthcare institutions that will drive patients' numbers.

Ivica Belina, President of Coalition of Associations in Healthcare (KUZ)

Prof. Dr. Romana Jerković, Member of the European Parliament (Croatia)

Milka Kosanović, Director of Membership Affairs, Croatian Employer's Association (HUP)

Vikica Krolo, MD, Deputy President of the Croatian Medical Chamber (HLK)

*Panel in Croatian

15:45 – 16:30 Talk

REDEFINING HARM REDUCTION

Harm reduction has a bad reputation, but essentially, it's a concept of meeting people where they are. What works and what doesn't in harm reduction?

GUEST: **Konstantinos Farsalinos, MD**, Researcher, University of Patras and University of West Attica

MODERATOR: **Zdravko Ivić**, Partner, Alpheus

*Talk in English

16:30 – 17:15 Talk

INDUSTRY SELF-REGULATION: A NEGLECTED BRANDING OPPORTUNITY

Through self-regulation of the industry in the interest of consumer health, companies could have the opportunity to contribute to disease prevention and health promotion in Croatia, which is a rather neglected aspect of the healthcare network. Self-regulation is an opportunity for companies to differentiate themselves on the market and gain the trust of consumers, will they use it?

GUEST: **Slaven Ružić**, CEO at PIK Vrbovec plus

MODERATOR: **Zdravko Ivić**, Partner, Alpheus

*Talk in Croatian

17:15 End of first day

June 2, 2023
